

Declaration of Parental Consent for Photo/Video

On the basis of the General Data Protection Regulation (GDPR), we, bunq B.V., a private company with limited liability under Dutch law, located at Basisweg 32, 1043AP in Amsterdam and registered with the Chamber of Commerce under no. 54992060 ("bunq"), ask you in advance whether we may take a photo/video of your child and what we will use it for.

In this way, we want to avoid misunderstandings about where and when we may use the image material.

What do you give permission for?

With the consent statement included below, we ask you to indicate what we may use your child's images for. On this form you can see what we want to use the images for. If we want to use the material for another purpose, we will contact you.

How long will your images be kept?

We will use your child's photo or video for as long as we have an interest in it, with a maximum of 3 weeks. If we would like to extend this period, we will pay the buy-out fee again. If you no longer agree, you can withdraw your consent by sending an email to privacy@bunq.com. After 3 weeks without renewed consent, we will no longer use the material.

Thanks for your cooperation!
